

MATERIALS FROM OUTSIDE SOURCES DISPLAYED IN LIBRARY POLICY

A. PURPOSE

To provide guidelines for exhibiting materials from outside sources within Library District facilities.

B. POLICY

Display/brochure space in Library District facilities shall be devoted to library related issues, programs, services, customer information, or subjects of educational and informational value and content. No items will be displayed/exhibited which are labeled with fees or prices, and/or for the purpose of sale, unless done so by the FRIENDS of the Library District.

Once approved by the Branch Manager, materials can be displayed in areas designated for this purpose in each library facility; they shall have a display limit of 30 days.

All displays/exhibits and brochures shall meet current community standards of good taste.

The Library District reserves the right to pull any displays/exhibits or brochures without notice.

Displaying or distributing materials from outside sources by the Library District does not, in any way, signify endorsement by the Library District of either the content of the materials or of the organization that produced it.
